ABDM BLOCK LEVEL TRAINING

On October 3rd, 2023, an interactive workshop was conducted with the Community Health Workers (CHW), including Auxiliary Nurse Midwives (ANM) and Community Health Officers (CHO) of Taisuru Block in Kargil District. The workshop focused on enhancing the understanding and skills of CHWs to create ABHA from various interfaces, resolving common technical issues faced by users, and linking health records with ABHA on Non-Communicable Disease Program portal and on ANMOL App for Reproductive and Child Health Program.

»»» ABDM AT SCHOOLS

A two-day camp for ABHA and Golden Card (AB-PMJAY) generation was conducted with a local school, Ladakh Hills International Skara, Leh on 25th and 26th October 2023. More than 150 Golden cards and 130+ ABHA cards were created for staff, students and their families. The camp also focused on solving technical issues related to ABHA cards already generated prior to the camp.

ABDM OUTREACH CAMP

A two-day outreach program was conducted from October 5 to 6th at District hospital Kargil to help streamline the flow of patients and enable them to create and use ABHA card within the hospital.

The major outcome included resolving various issues faced by citizens related to ABHA utilization and educating citizens about the advantages of ABDM and how to leverage them via ABHA Application.
